Sweet Pickled Garlic Cloves

Garlic to nibble, with a gentler bite.

Garlic cloves softened by pickling, leaving a crisp texture and a gentle tang. Surprisingly mild and made for nibbling, as well as cooking.

290g JAR SKU BRGC290

WHAT MAKES IT DIFFERENT?

Pickling takes away much of the raw ferocity, leaving a rounded, savoury garlic flavour. A useful alternative when you want garlic with a gentler bite.

HOW TO ENJOY IT

Serve with olives, cheese and cured meats, or add to salads and warm grains. Tuck around roast lamb or chicken, slice through mayonnaise or crush into a dressing.

A WORD FROM A FRIEND

"Try one straight from the jar. Pickling makes the garlic surprisingly mild."

ALLERGENS May contain nuts, peanuts & sesame. Always check the label.
