Lightly Salted Marcona Almonds

Buttery, plump and gently salted.

Spanish Marcona almonds, rounder and plumper than everyday almonds. Naturally buttery and gently sweet, with a smooth, delicate crunch and a little sea salt.

130g JAR SKU JNMSA130

WHAT MAKES IT DIFFERENT?

Hot air kiln roasted in Dorset, then tumbled with Extra Virgin Olive Oil and sea salt. No seed oils, just a clean roast that lets the character of the almond speak.

HOW TO ENJOY IT

Serve with manchego, cured meats and olives, or a glass of cava or dry rosé. Roughly crush over salads and roasted vegetables for a delicate nutty finish.
