### WHAT MAKES IT DIFFERENT?

Made for us in Northern Italy and left unpasteurised to preserve its lively flavour. Pine nuts and Parmesan give depth beneath the basil and garlic.

### HOW TO ENJOY IT

Stir through hot pasta with a little cooking water, spread over warm bread or add to roast vegetables, soups and tomato salads. Lovely in a mozzarella tear and share loaf.

### A WORD FROM A FRIEND

"Stir it into hot pasta off the heat, with a little cooking water to make it silky."
